A critical factor in LGBTQ history has been the establishment of our own organizations to meet the needs and express the values of our community. To chronicle and pay homage to those organizations, ONE Archives has produced *Defiant Spaces: 60 Years of Queer Organizations in L.A.*, an exhibition exploring the history of over 40 LGBTQ organizations in the Los Angeles region. *Defiant Spaces* will be on view June 7 – July 5, 2012 as the centerpiece of the City of Los Angeles' LGBT Heritage Month.

Parking for the opening reception is located at **200 North Los Angeles Street, Los Angeles, CA 90012** on the west side of Los Angeles between Temple & 1st across the street from Parker Center.

As you travel south on Los Angeles Street from Temple Street, the parking garage will be on your right-hand side, just past the mid-block traffic light. Turn RIGHT into the driveway.

Please print and present this invitation to the attendant for free parking.

Park in the "Visitor's Section" of P2. Walk south toward the white vans and city cars parked inside a fence. Follow the walkway to a door with a large sign that reminds city employees to have their ID badges visible at all times. Enter the door and take either bank of elevators to the 3rd floor. The Bridge Gallery is located at Visitor Sign-in.
