ONE Archives Foundation at Camp Brave Trails

Over the past three weeks, Education & Outreach Manager **Erik Adamian** and Education & Outreach Assistant **Nick Bihr** facilitated a workshop at **Camp Brave Trails**, a summer camp for LGBTQ youth leaders. They presented an interactive workshop on the history of drag performance utilizing material from ONE Archives at the USC Libraries in their presentation and activities. At the end of each presentation, the participants created personal drag mood boards, as photographed on the left!
