## Celebrating Queer Expression

This LGBTQ History Month, the ONE Archives Foundation was so excited to celebrate queer expression with you at the legendary Catch One nightclub for **QUEER NOISE!**

The evening was an incredible launch party for our membership program. We were thrilled to honor Jewel Thais-Williams with our inaugural History Maker award and to welcome so many talented performers to the stages: **Kelela, San Cha, BAE BAE, Adele Roberson, Amanda-Faye Jimenez, Rush Davis, Solomon Georgia, Thurman Green, Liza Dye, Hitchhike, L3 Love,**
